| Reference: | ECR3807 |
| Priority: | 4 |

1 - Essential: Action is Recommended

2 - Important: Product Form / Fit / Function has been changed (may affect compatibility)

3 - General: For information / reference

4 - Obsolescence: Notification of Component or Product Obsolescence

OBSOLESCENCE STATEMENT

Figure 1 — Typical BDM3xx Range of Microphones

The BDM3xx range of Analogue microphones were superseded in 2008 by the BDM4xx range of Serial Data microphones.

We can confirm that as of October 2019 the BDM3xx Range of Microphones have been made obsolete and these products are no longer available for purchase.

SUGGESTED ALTERNATIVE

The BDM4xx range of Microphones can be used with a BDM400IF interface module to enable backwards compatibility for the majority of existing installations.

WARRANTY & SUPPORT INFORMATION

We will continue to service and support BDM3xx Range of Microphones products during the remaining warranty period and for the lifetime of the system, subject to component obsolescence.

If you require any further information please feel free to contact us.
